

Courtney has been grooming for 5 years. She lives in Silver Valley with her 6 dogs, 3 cats, and 2 rescue horses. Animals have always been her biggest passion. She loves being able to help pets feel their best when she grooms them. She also enjoys training her dogs and horses.

Courtney absolutely loves the outdoors! Her outdoor hobbies include hiking, fishing, gardening, and working with animals.

She is also very artistic. She loves to paint landscapes and animals/animal portraits.

We are very happy to have Courtney as a part of our team.
